THE DIME SAVINGS BANK

DIVIDEND

The regular Semi-annual Dividend ings of the past six months at the rate of Four per cent. a year, and will be payable on and after May 15th. FRANK L. WOODARD,

apr22dew Treasurer. SPORTING NOTES.

The Athletics are beginning to show

some of their famous rallies.

of the St. Louis Browns, is said to be the best first sacker that the Browns have had in many a year,

More than a dozen Cuhan ball players are now on the roster of league clubs in the United States and the

President James A. Olimore of the Federal league, is more than elated over the receptions which his tesms The market was no longer domination.

Connie Mack's veteran pitchers are being allowed to take it easy and the youngsters are getting plenty of work. When the race warms up a bit Bender and Plank will be quite prominent in

According to Secretary J. A. Heyd-ler of the National league, there were 125 players who were in National league games last year and yet falled to get in less than 15 games. Every player is to be listed this season.

Ray Chapman will probably be able to get into a uniform in June, but his ankle is injured to such an extent that Manager Birmingham does not expect that he will be able to play hefore the latter part of the season.

"Smoke" Herring, a promising young pitcher from the staff of the Glants, hig been sent to the Spring-field team of the Three-I league, to gain that mysterious baseball com-

BENJAMIN SWAMPED WESTERLY

N. F. A. Beat Westerly High by the Score of 21 to 3-Made Nineteen Runs in Five Innings-No Men Stole Bases on Catcher Lord.

School team Wednesday afternoon at Westerly to the tune of 21 to 3.

The game was to be played here on the campus but at 10 o'clock Manager Leahy telephoned to the Westerly team and told them the game would have to be postponed owing to the the weather and as the weather was favorable in Westerly the Westerly manager suggested coming there so Manager Leahy took him up.

The game was slow and was a walk-over for the Academy. In the first

made a record in securing nine runs, the team batting around.

Benjamin of the Academy held his opponents to five hits and had the opposing batters at his mercy at all times and fanned them at his will.

Catcher Clapp of Westerly was unable to hold the fleet Academy boys on the bases for they seized every opportunity and stole in all 10 bases. portunity and stole in all 10 bases. Young, S. Crowe and Murray led the Academy in batting, each hitting the pill for three safe one.

Lord watched the bases very closely and no one stole on him. Two or three tried but were nailed in the attempt. At bat he hit hit for an extra base in the lucky fifth besides a single in the early part of the game.

Coach Overbagh took on the trip with him 13 men, having no fears of the unlucky number and every one bad a chance to get into the game.

Other Averages Fretty high reads the players is .643.

The batting averages of pretty near all the players now seems fat but wait until the season wears on, time will tell.

In the National league, Magee, of the Phillies has tore off for an average of the unlucky number and every one that keeps his head above the others. His average is .579. had a chance to get into the game.

The score: Champion, 25 Lowery, p. 1f Chapp.e Randall.es Firm. 15 (xx) Batter for J. Hull in Sta.

THREAD MILL LEAGUE

WILL OPEN MAY 16. Four Teams Will Contest-Will Draft Schedule.

Captain Wagner thinks the Pitts-burgh Nationals will be stronger this year than last.

At a meeting of the American Thread Mill Baseball League directors held on Tuesday afternoon at Willimantic a number of matters concerning the former Pittsburgh infielder, is playing a fine game for the fit Louis Nationals at third this spring.

Mathewson gets into the winning column again. The New York veteran is certainly pitching championship ball.

No team has shown such improvement over fits 1913 form to date as Cincinnati. Manager Herzog is dsveloping a good team.

Schedule.

At a meeting of the American Thread Mill Baseball League directors held on Tuesday afternoon at Willimantic a number of matters concerning the coming season was settled. The managers of the league reported that they had signed up their season. He says he would like to arrange a practice game this coming Friday with the school boys before the game at Fort Wright, Saturday. The battery for Saturday will be Austin Love and Murphy.

No team has shown such improvement over fits 1913 form to date as Cincinnati. Manager Herzog is dsveloping a good team.

The Academy Baseball team com- No. 3 Mill vs. Dye House followed by letly routed the Westerly High No. 6 Mill vs No. 5 Mill. The opening chool team Wednesday afternoon at games will be called at 1.30 p. m.

The game was slow and was a waikover for the Academy. In the first
five innings Lowery's slow ball was
found for fourteen hits and combined
with errors nested 19 runs for the
Academy.
In the fifth inning the N. F. A. boys
made a record in securing nine runs,
the team batting around.
Benjamin of the Academy held his
opponents to five hits and had the opposing batters at his mercy at all
times and fanned them at his will.
Catcher Clapp of Westerly was unlett and John McQuillan.

> DANNY MURPHY'S BATTING AVERAGE .500

Other Averages Pretty High-Fed's

others. His average is .579. In the American league Sam Craw-ford is hitting the pill in the .500 class while the old stand by Cobb is knocking around the .390 class, but before long he will have the rest up a tree in

the hitting line. the hitting line.

In the Federals Campbell of Indianapolis leads with an average that will surprise organized baseball, he is hitting to the tune of .643 now with Simmons of Indianapolis second, with 545. The third in the list comes our old friend Danny Murphy who is tearing around the circuit at a .500 galt. His stick work this year is good and his slapping of the horschide has attracted much attention.

The Brooklyn Feds rank second in the batting list of the teams.

Pilliadejah Hoskinata

SEVERAL CHALLENGES.

Want to Play a Series of Games With N. F. A. The All Stars challenge the Waure-

gan or the Connecticut Mills baseball teams for games to be played in Danleison at any convenient date.
Also the All Stars challenges the
Academy team for a series of three
games to be played on the Academy

FINANCIAL AND COMMERCIAL

Red Murray's throwing arm appears to be as strong as ever and few players take any chances with Jack's Distinct Weakness Developed, But Avwing when running bases.

ADVANCE IN STOCKS HALTED.

Distinct Weakness Developed, But Average Loss Was Small.

New York, April 29.—The advance in stocks was halted today. The mar-ket drifted idly through the session, Nemesis is getting in its deadly work. Pat Newman, who hit McGraw "from behind" is at the bottom of the Texas league with his Houston team.

President James A. Glimore of the deadly and the close the tone became heavy. Extensive covering on the advance of the preceding two days made the position of the short interest less vulnerable, and stocks were supplied more freely. Distinct weakness developed in a single through the close the tone became heavy.

over the receptions which his teams got at the various cities on opening days.

Johnny Evers thinks that golf and baseball have much in common. Perhaps, but many a topped hall on the links would go for a single on the diamond.

There is no man in baseball that takes a bigger lead off first base than

There is no man in baseball that takes a bigger lead off first base than Bescher of the Giants and at that it is very seldom that he is caught by the pitcher.

With Walsh, Scott, Cicotte, Russell and Benz, as a pitching staff, the Chicago Americans appear to be as strong in that department as any team i nihe American league.

New York is moving up in the National league standing. With Shock playing as he is at third base, Manager McGraw's men are certainly better than a second division team. playing as he is at third base, Manager McGraw's men are certainly better than a second division team.

Terry Turner is starting the season at the same clip which made him notable among the infielders several years ago. Old Cotton Top does not seem to slow up any with age.

by the railroads on account of dimin-ishing earnings has begun to make When it comes to covering the distance between first base and third take or the plate no player in the major leagues has anything on Amos Strunk, of the world's champions.

Captain McBride is playing the best game of his career this year. It is doubtful if there is a shortstop in elther league that covers more ground than does the Washington leader.

Colonel Jerry Connell hasn't said much regarding his pennant chances. But he's been a busy little beaver, and when the show down comes there will be many surprised ones hereabouts.

DOINGS IN THE AUTO WORLD

Barney Oldfield Broke Another World's Record-Electrical Starting and Lighting System Greatest Convenient Invention-Systems Used Are Reliable.

Barney Oldfield has broken another when the speed of the engine drops world's record. On April 22d, at Bak-ersfield, Cal., he broke the five mile record formerly held by Disbrow. Barney covered the five miles in 3 minutes, 66 seconds.

He also won the fifty mile free-for-speed of the engine drops to a point where it would ordinarily stall, the starting motor picks it up and continues the crank shaft motion without any action on the part of the driver. There are no gears to be engaged. The action of the starter in speed of the engine drops to a point where it would ordinarily stall, the starting motor picks it up and continues the crank shaft motion without any action on the part of the driver. There are no gears to be engaged.

Nork to defeat Boston in the first game of the season by a score of 1 to 6. Fisher pitched brilliantly for the home team and was well supported. Leonard and Bedient also pitched well for Boston.

Walsh made his home run after a foul from his bat fell safely between Carrigan and Engle. Speaker made a spectacular running catch of Williams line drive in the first inning, depriving that player singled, prevented Boston from tieing the score, as Engle followed with a long single.

Boston.

Now Yerk

Boston in the first game the thoroughly practical and reliable.

Acting as a starter the electrical mother than the storage battery, spins the crank shaft quickly and smoothly until this action is as sumed by the gasoline engine itself. The power from the starting motor is spectacular running catch of Williams line drive in the first inning, depriving that player singled, prevented Boston from tieing the score, as Engle followed with a long single.

Boston in the first game therefore thoroughly practical and reliable.

Acting as a starter the electrical mother than the storage battery, spins the crank shaft quickly and smoothly until this action is self-great that lamps of any practical canner battery, spins the crank shaft quickly and smoothly until this action is self-great that lamps of any practical canner battery, spins the crank shaft quickly and smoothly until this action is self-great that lamps of any practical canner battery, spins the crank shaft quickly and spectacular running catch of Williams as moothly until this action is self-great that lamps of any practical canner between the line, care and the use of them.

The output of the generator is so great that lamps of any practical canner battery by made in the lighting and itempting that lamps of any practical canner.

The output of the generator is so great that lamps of the visit were made off Dental Provides that lamps of any practical canner.

The output of the scar is in option. The battery, providing and abundance of current for the lighting distance.

motor will actually propel a car for a considerable distance.

If your car is equipped with the electrical starting and lighting system, you are safe from the danger and involvendence of having your engine stall, perhaps on a railroad track or tenances, is direct acting and practice, as held place in the road; because the road.
